

Kia Picanto 2024

Exterior

Vertical LED headlights, a chrome grille, a bar connecting the headlights, LED tail-lights, and a restyled lower bumper

Wheels

16-inch wheels with machined highlights on top-of-the-range models, and 14-inch steel wheels with hubcaps, or 15-inch alloys on cheaper versions

Touchscreen

8.0-inch touchscreen with Apple CarPlay, Android Auto, and a reversing camera

USB ports

Updated to the latest USB-C sockets

Safety features

Lane-keep assist, lane departure warning, blind-spot alert, and more active safety features

Interior

4.2-inch semi-digital instrument cluster, 8-inch infotainment system, four-speaker audio system, manual air conditioning, heated steering wheel, and flat bottom steering wheel

Other features

Space-saver spare wheel, halogen projector headlights, dusk-sensing low beams, automatic high beams for headlights, halogen daytime-running lights, and matte black grille, black window trim, power-folding side mirror, and cruise control
