

# Honda Clarity 2020

## **Connectivity**

Standard Apple CarPlay and Android Auto smartphone connectivity

## **Safety**

Honda Sensing, a suite of driver assist safety features that includes forward collision warning, automatic emergency braking, lane-keep assist, and adaptive cruise control

## **Deceleration selectors**

Four intensity levels to personalize how much the high-voltage battery charges during regenerative braking

## **Drive modes**

Several driving modes, including Normal, Econ, Sport, and HV

## **Infotainment controls**

An 8-inch touchscreen, navigation, and Apple CarPlay and Android Auto connectivity

## **Exterior design**

Heated side-view exterior mirrors, an improved audible alert system for low-speed driving, and a revised color scheme

## **Fuel economy**

47-mile all-electric range, 44 mpg in the city, 40 on the highway, and 42 combined on its petrol engine

## **Aerodynamics**

An aerodynamic shape that helps to improve performance by reducing wind resistance and noise

## **Other features**

Rear tire cover, rear air curtain duct, and underbody covers
